## About the Author

Albert Schweitzer (1875-1965) won the Nobel Peace Prize in 1952. While still a young man he demonstrated extraordinary abilities in a wide range of pursuits, including science, theology, and music. In 1908 he published his magisterial study of the life and works of Johann Sebastian Bach. He studied medicine from 1905 to 1913 at the University of Strasbourg, then founded a hospital in French Equatorial Africa, where he spent most of the remainder of his life. Schweitzer used his Nobel Prize stipend to expand the hospital and to build a leper colony. His book *The Quest of the Historical Jesus* is also available from Johns Hopkins.

Words of wisdom, revealing the relevance of biblical stories

By Midwest Book Review

Edited and translated from the French by Steven E. G. Melamed, Sr., *The African Sermons* is a collection of sermons delivered by Albert Schweitzer (1875-1965) on Sundays in Lambarene, Gabon, from 1913 to 1935. Words of wisdom which reveal the relevance of biblical stories to the daily realities of African life, *The African Sermons* is an enduring testimonial that transcends the decades, brimming with both faith and practical understanding. Very highly recommended reading for Christians of all walks of life, *The African Sermons* provide an indispensable insight into the character of one of history's most selfless men of genius.

Nobel Peace Prize Winner

By Stewart Williamson

This book offers the reader a unique glimpse of a remarkable man who believed in the sacredness of life. As a philosopher, theologian, moralist and physician, Albert Schweitzer worked tirelessly for the betterment of humanity. Although he was faulted by some for his old-fashioned European values, Schweitzer demonstrated his Christian love by ministering to the physical needs of his black brothers and sisters. At his free hospital in Gabon, he also ministered to their spiritual needs. Here, in a collection of Sunday sermons, is a verbatim record of what he said to his patients and their families in simple, easy to understand messages, based upon

biblical texts.

An Albert Schweitzer-must

By Ole Beuchert Olesen

This book is a must for persons interested in the magnificent work of Albert Schweitzer, the jungle doctor. It includes a reference list and a very useful Index.
