Angry 'Black' Woman it is a term used to slander, discredit and dismiss the 'black' woman claims, her issues or objections to her experience. The angry label placed on the 'black' woman is a blemish on the face of the 'black' community. Angry 'Black' Woman Syndrome (ABWS) Revisited takes a candid look at this epidemic as it is portrayed in the media, it also opens the dialogue to speak to 'black' woman on a soul level about this issues. This topic is so timely and the inspiration to write this book has come at just the right moment. I pray the words are received in the same way in which they were written, with love.
