Do you love Ballet? Then you will love this book!

By Christine Macdougall

I first read this book when I was a young girl. I had to own this book. Now many years later, I still love this book. It is such a great indepth read about the incredible world of ballet. The author, Joan, uses beautiful pictures of her sister - a ballet dancer. This is a book that I have come to treasure. It not only gave me an insight to the world of ballet but it also brings back such great memories of my childhood. Love this book!
