## From the Back Cover

Contemporary Human Behavior Theory: A Critical Perspective for Social Work, Second Edition, is the first HSBE text to approach the subject from a comparative theory perspective, providing coverage of the most current and contemporary theories as well as traditional theories.

This text encourages students to develop critical thinking skills in analyzing and comparing theories, and includes contemporary developments in traditional lifespan theory, theories of political economy, and a separate chapter on transpersonal theory.

## Reviewer Reaction to Contemporary Human Behavior Theory:

“I would definitely adopt this as a primary textbook for Foundation and advanced HBSE courses. It is also a valuable supplementary text in direct practice courses. It is exceptionally well written and conceptualized.”

—Steven Applewhite, University of Houston

“I see many strengths in this text. Most importantly, the text covers material that I believe is critical in social work education. There simply is no other text that I have found that covers this content.”

—Beverly Black, Wayne State University

## New to This Edition

New features in the second edition include updated content in all chapters, as well as new content on:

- Neurobiology, neurotransmission, and behavior

- Theories of bisexual and transgender identity development
- Ethnic/cultural identity development and cultural competence
- Ecofeminism, Feminist Standpoint Theory
- The role of shame in women's development
- New theoretical content added to the textbook represents the most contemporary and cutting-edge content in theory that is not usually found in other human behavior or theory textbooks.

Contemporary Human Behavior Theory: A Critical Perspective f

By Dona Reese

This book pioneers in integrating theory about spiritual development into a human behavior text. In recent years the profession of social work has become aware of the importance of addressing spirituality with clients, but few social workers have been trained in formal theory about spiritual development. This book is one of the few which provides this content; thus it is a critical text for use in social work Human Behavior courses. The Council on Social Work Education has included spirituality in its latest curriculum guidelines,

and this text provides a way to incorporate spirituality into social work education.

5 of 5 people found the following review helpful.

total brick

By Jonathan

This is a great paperweight. The theories and content are presented in a completely indiscernible method. No glossary and barely an index. My instructor keeps preaching about how great it is, but I continue to look at it and use other books and the internet to assist me in class. Can't wait to write my semester review on this hunk of crap.

7 of 8 people found the following review helpful.

Dry

By Sympawtico Dog Training, LLC

Comprehensive but dry. Difficult to get through, especially by the end of the semester. Surely there are more interesting ways to present this information.
