Volledige Bybel in Afrikaans 1983-vertaling met herformulerings tot en met 1992. Hierdie Bybelvertaling is meer betekenis-gebaseerd as die 1933/1953-vertaling en slaag uitstekend in sy doel om Afrikaanssprekendes binne en buite die kerk aan te spreek in 'n eietydse dog waardige Afrikaans.

Please this is THE BIBLE the one and only HOLY BOOK ever written!!!

By elane / lana

please this is THE BIBLE, the one and only HOLY BOOK ever written - how do you rate the best guidance ever.

It is a way of living - it is life giving without this book there would be no life on or after this earthly life.

A must read to each and every person on this planet - if more people actually read and believe the BIBLE, society would be much more in line with right and wrong.

DESTINED TO BE A BEST SELLER

By Pal Turley

An excellent read even for a second language reader by that I mean for someone whose mother tongue is not Afrikaans. The words are well within range of anyone who has a basic understanding of Afrikaans and the grammar is clear and concise.
