About the Author

I'm Leigh Stone, I live in Northern Ireland, just outside the capital city of Belfast, in a house I share with my teenage daughter, and our personal zoo (1 crazy dog, 3 cats, and 2 rabbits!). I'm first and foremost a reader, and a fast reader at that, often devouring books in a single sitting over a period of hours. I have always had aspirations to write and become a published author, but as a teenager I was encouraged to look for a different profession, as being an author "wouldn't pay the bills." It was that reading that lead a friend of mine to suggest that I had read so many of those books that I could probably write my own! It seemed like a good idea, and I thought that I would give it a try :) a few months later Lex's Melody was well underway. In November 2014 Lex's Melody, the first book of the Belfast Bound series, was released on Amazon, reaching the top 100 in the Erotica>BDSM category on its first day. After that Alex and Mel decided that they had more tale to tell, and Melodic Minor was quickly started soon after and the Belfast Bound series expanding further. At the minute I'm working on several ideas, the Belfast Bound series will have some more editions, and I'm also working on a new series Timeless Jewels, which will take my readers into the world of the paranormal; vampires, witches, wolves/Lycan, and of course hot sex, because that's what I do best! After that, who knows where things will lead, I do know that I have a lot of ideas already! Dirty little book

By Louise McKie

WARNING - This is a book about female domination and male submission. It is filthy and rude and should not be read by anyone under 18 or anyone that is a prude.

WOW what a dirty little book this is!! Hand on heart I have to honestly say it is the dirtiest book I think I have ever read!!

I have never read a book where the female is the dominant one either, it makes a nice refreshing change. Any I have read are usually the male as the dominant and the female as the submissive.

Normally I'm not into M/M and certainly not into reading about pegging but this just seemed to fit into part of the stories so much that I pretty much just accepted it was written in it.

It wasn't a particularly long read which suited me at the time as I had minimal time with it being half term and kids being at home. (Kinda feels wrong reading sex scenes when they're in the house lol.)

Leigh Stone has the filthiest, dirtiest imagination I have ever seen.

In the words of oliver "Please ma'am can I have some more??"

filthily epic...this book is bloody brilliant! "Mistress Eve, yes please" say all the boys ;)

By Susan Scott

Review:

Katriona is one seriously sexy lady! Living like the professional by day and powerful Dominatrix by night, this woman controls power in all circumstances. Especially when it comes to men!

This short story is jam packed with Kat (aka Mistress Eve's) domineering, seriously hot, sex acts with men whilst away on business. Very rarely letting down her persona of the 'Domme' requested of her.

I saw that mask drop a little with Kat in the last chapter of Domme and it made me love her all the more.

Excerpt

...this guy is trouble; submissive with a hot streak of defiant alpha, a positively explosive combination. I hold his look, before stepping toward him and reaching for his bound wrists. I untie him, slipping the tie around the back of my neck, keeping it on hand, just in case.

Absolutely loved this and can't wait to see where the second book takes us with more of Mistress Eve's steamy, knicker melting moments!

Make sure you have a change of pants...

By Stacey G

I have to say this is the filthiest book I have read in a long time. I've read Leigh's debut Lex's Melody and that was panty wetting stuff, but this, oh man.

Katriona is the Domme and it's a change for me to read a female being the dominant. This book consists of six short stories but all were as filthy as each other and there was a bit of shock factor in there, but Leigh still managed to make it hot stuff to read and managed to come up with six different situations that flowed nicely together.

I loved that the Domme let herself go in the final story but I would like to see whether she managed to let her defences down some more!

4.5 sizzling stars from me!
