FLIGHT TO FREEDOM BY ANA VECIANA-SUAREZ PDF

Another wonderful addition to Scholastic's superb First Person Fiction series, *Flight to Freedom* tells the story of the Garcia family, who in 1967, flee from Cuba to Miami, Florida. The story is told through the diary entries of thirteen-year-old Yara Garcia. In Cuba Yara hates the compulsory youth work camps and the strict food rations. However, once Yara is in Miami, she misses the family left behind in Cuba, and struggles with family tensions, a new language, and a new school. While Yara's father joins an anti-Castro group and insists that the family will soon be back in Cuba, Yara, her mother, and her sisters slowly adjust to their new life and opportunities in America. The story is absorbing, with believable characters and informative detail. An effective feature of the series is an afterword in which the writer describes his or her own experiences of immigrating to the United States. The reading level and subject matter make this book appropriate for seventh through ninth grade and TESOL students. It would work well as reading for social studies and English in studies of culture, immigration, point of view and character development.
