IN SPITE OF EVERYTHING. . . : A BOOK OF POEMS BY CURTIS ROBBINS PDF

For centuries, people have loved tales shared by poets-Homer, Chaucer, and many others. In the late nineteenth century, people were mesmerized by the tales of traversing the Bush Country of Australia as told meticulous detail by a deaf poet named Henry Lawson. In this collection of verses, poet Curtis Robbins-who is himself deaf-shares a tale of a group whom very few hearing people know about or understand.

The poems in this collection present a story told daily among deaf people. They focus on the details and moment-to-moment experiences of what it's like to be a normal deaf person. Robbins explores the conflicts faced among deaf people, with hearing people, and on our own. He examines the inhibitions and exhibitions that are characteristically ingrained into the lives of deaf people. He also considers the work of deaf Australian poet Henry Lawson, celebrating his legacy.

In this collection of verse, Robbins seeks to embellish, ostracize, epitomize, chastise, advocate, and reflect upon his own observations, thoughts, and visions about what it is about being deaf-without ever resorting to be invective but rather exonerating those realities.

... one has to be deaf to truly understand this beautiful, insightful book of poems

By Amazon Customer

Who says one has to be deaf to truly understand this beautiful, insightful book of poems. Was not one purpose of the book to let all understand the true meaning of deafness or the true meaning of any disability, and what mountains need to be climbed.

1 of 1 people found the following review helpful.

Deafness

By Patty M. Turpin

You almost have to be deaf to appreciate Ribbon' s writings. As a deaf person I enjoyed this book thoroughly. Teachers of the deaf will probably "get it" also. I have this down loaded so will no doubt read it again.
