## Review

"Morris helps us to take a new look at ourselves." -- Chicago Tribune

"[An] excellent accounts." -- Alex Comfort, author of *THE JOY OF SEX*

## From the Author

"At a crucial moment, a gentle embrace can still do more good than a thousand earnest discussions. Despite all our social and technological advances, the primeval body language of love still remains the most potent force we have for the expression of feelings of comfort and caring."—Desmond Morris, from his new Preface

## About the Author

Born in Wiltshire, England, in 1928, Desmond Morris got his undergraduate degree in zoology from Birmingham University and his doctorate from Oxford. He became curator of mammals at the London Zoo in 1959, a post he held for eight years. He was already the author of some fifty scientific papers and seven books before completing his now famous *The Naked Ape* in 1967, which has sold more than ten million copies throughout the world and was translated into almost every known language. *The Human Zoo* and *Intimate Behavior*, the books that followed it in *The Naked Ape Trilogy*, likewise have sold millions of copies in dozens of languages across the globe. Morris has also become well known for his many television programs and films on human and animal behaviour. His accessible, hands-on approach has made him popular with both adults and children. Morris is the author of over thirty books. His most recent works include *The Human Animal* and *Bodytalk: a World Guide to Gestures*. He lives in Oxford, England. *The Human Zoo* is also available in paperback from Kodansha Globe.

Ugh

By Ariadne011

I only got this because I needed to research some 1970's perspectives on social behavior and gender roles. It's a crock, not that there aren't some good observations, but the arrogant assertions based on them are off putting and rather laughable, except for the fact that people believed them and acted on them back then.

Five Stars

By Z

Love this tome, physically a nice size for traveling, both informationally dense and linguistically manageable.

Understand Sexual Attraction

By Charles A. Bledsoe

An old book dealing with a contemporary, old problem. Morris gives easy to understand observations that each reader can relate to one moves through this book. Even though the book is old the information is timeless. People have not changed in their basic nature even though some want to think we are enlightened and better than those generations before us.
