LA BROMA (SPANISH EDITION) BY MILAN KUNDERA PDF

En la Checoslovaquia comunista, Ludvik Jahn, joven estudiante universitario y activo miembro del Partido, se permite un día gastarle una broma a una compañera de aula y le envía una postal en la que ironiza sobre el optimismo imperante. A los dirigentes universitarios, la broma no les hace la menor gracia y, tras un rápido proceso incriminatorio, Ludvik es expulsado de la universidad y del Partido. Con esa caída en desgracia se abre para Ludvik un nuevo período marcado por el amor, un amor tierno y desesperado hacia la sencilla Lucie, carnal y cinico hacia la apasionada Helena, en circunstancias personales e históricas que, precisamente por lo trágicas que son, se convierten, con el paso del tiempo y vistas con perspectiva, en situaciones ridículas e incluso patéticas. Tal vez, todo cuanto ha vivido Ludvik no habrá sido sino una mala pasada de la que, para colmo, no podrá culpar al destino, sino a sí mismo. / In Czechoslovakia, Ludvik Jahn, a university student and active party member plays a joke on a classmate and sends a postcard that satirizes the prevailing optimism. The joke is not funny for university leaders and Ludvik is expelled from university and the Party. What Ludvik has lived has not been a trick of life. He cannot blame the fate but himself.

Superb!!

This is simply one of the best stories I have ever read. The writing is just great. You get to know the characters at a very personal level. They live, they die, they suffer. All in front of you. However, you never feel overwhelmed by so many details. The plot gets you to an unexpected ending that leaves you thinking for quite some time after you have reached it. Thinking about love and hate.

hay cosas de las que algunos no sabe reírse

By nacho3@mailexcite.com

Por un amor de juventud escribes una postal que gente del partido intercepta, eres juzgado y rechazado una

broma sobre política fue tomada en serio. Es sólo la absurda anécdota de la vida que sirve de guía al libro, hay otras muchas, y sobre todo, esa reflexión, esa agudeza en cada uno de los actos de la vida, esas cosas que creemos nadie ha pensado. Eso es lo que kundera siempre cuenta.

Retrato de una época, felizmente pasada

By Alejandro P. Mendiola

"La broma" me impactó por su profundidad al analizar las motivaciones humanas pero, sobre todo, porque pude encontrar en esa novela las mismas circunstancias que mi esposa me contaba que se vivían (¿se viven?) en su Cuba natal. Es una novela imprescindible para comprender una época: la del socialismo en Europa oriental, y cómo ese sistema anulaba a los individuos. Pero, política aparte, es una de las mejores novelas de la segunda mitad del siglo XX.
