I have been looking for this book for a long time! It wasn't in the best condition, but it's quite an old book that I could see was cast by the wayside a few times. Oh well! found a home here!

My childhood within the pages.

By Ashley Delvecchio

This book is not only an tremendous coffee table book, but also a wonderful trip of nostalgia. Every Nicktoon from my childhood is within this book, as well as the newer generation. Tons of drawings, pictures, and info about each show. Wish this had more, but it's definitely a great browsing item and interest piece!
