Research in a snap

By Scott

This book is fabulous ! Quick, to the point, easy to follow and understand. Very easy to reference and find topics needed for school. I have found this book so much more helpful and informative than the classroom textbook.

Good Book

By atngirl30

I enjoyed this book because it has detailed evidenced -based practice techniques that really work. I use the techniques in any research project that I have to do.

sweet, and to the point

By Victoria Monster

This book is short, sweet, and to the point. It clearly is not the most exciting book, but I have to admit it is a great resource for writing EBP research papers.
