A Foundational Title

By anonymous

I have read this book several times over the years. Each time I find myself a better person. This is certainly one of the foundational books on living the Christian life. The book is easy to read, comforting, challenging, and simplifies an otherwise intimidating aspect of our faith.

Get this book. I'm sure you will enjoy it as much as I.

Challenging and thought-provoking

By Lay Bible teacher

This book made me think a lot about how I pray. It would be great for discussion. I've already recommended

it to two close friends.
