Just page by web page depending upon the time that you have to check out [The Beast Of Bath: A Regency Fairytale By Chasity Bowlin](#)

THE BEAST OF BATH: A REGENCY FAIRYTALE BY CHASITY BOWLIN PDF

Lord Victor Mayhew, Viscount Norcross, lives in the shadows, hiding his scarred face from those who would fear him... or worse, pity him. He's become accustomed to the dark, and to the aching loneliness that is his only and constant companion. But while traversing the city in the dark of night, he encounters a beautiful woman who is running for her life.

Lady Thessaly Shade has discovered that the prettiest of faces can hide the ugliest of hearts. While Lord Norcross keeps his face carefully concealed from her, he cannot hide the fact that he is a man of honor, a man for whom the word gentleman is a way of life and not merely an honorary title.

With no way to repay him for his kindness, for his courage in aiding her at great risk to himself, Thessaly bargains with the only thing she possesses of value... herself. Can she convince him to trust her, to believe that she can see beyond the scars he bears to the man he is? Or will he push her away out of fear and retreat into the loneliness that he knows so well?

The Beast of Bath is a 30,000 word novella previously published in the Wicked Fairytales Anthology.

Lovely story

By N CHase

I really enjoyed this for the short read it was. I'm curious who lord herdon is that's mentioned in the last chapter.

Wasted Potential

By Linda D

This novella is a variation on the Beauty and the Beast theme. It's a well used plot because it works and this rendering had great promise. Unfortunately the author, who has shown in other works that she can do much better, seems to have phoned this one in - literally. There are mistakes in wording, such as "made" instead of "maid", that scream of the use of voice recognition software without adequate proofreading. There are many mistakes a good editor should have caught. Also, she started several themes and never followed through; one example is the attack on the heroine-a footman was badly injured but we never hear of him again. In most novels about the period he would have been brought home, a doctor summoned, and vengeance sought on his behalf. Not here. It's truly a shame. I enjoyed reading this, and particularly liked the characters. The author

did the story, and her readers, a disservice by getting lazy and not rounding out her tale or polishing it before publication. Lastly, this very short work was priced the same as her full length novels three or more times longer. A bit of a cheat there.

Pretty good

By kshrop

I liked this book. The hero had been attacked and left for dead -- and his attacker was still at large and still a very real threat. After recovering physically from his wounds the hero had kept to his home in the daytime and went out at night -- he was disfigured, causing people to gasp, make rude comments and stare. While out one evening he hears a woman's scream and spots a woman running from a carriage.

The heroine was running from her stepfather. The man had sold her to an abbess, a woman who runs a brothel. The hero rescues her and takes her to his home. She makes it clear she would rather offer herself to him willingly than to be forced to have sex with hundreds of men.

The hero is starved for female companionship. He had been engaged but the young woman died -- it was rumored she killed herself rather than wed him. But the hero had doubts and suspected she had been murdered. He realised the heroine was a lady and deserved better so he offers her marriage -- to be performed immediately. Did I mention he was starved?

Of course the heroine is beautiful and has a luscious figure. She feels an immediate connection to him and isn't afraid to give herself to him. She sees the man not the scars, and she thinks he is the most handsome man in the world.

I liked that the heroine had a good heart and was spirited in a way that was admirable. Usually spirited heroines are foolish and do stupid things. This one does not.

Overall a good story and I recommend it.
