Information is Power

By Michael Perdue

This is a very intelligently written book and a must read for any manager who wants to remain competitive in the New Economy. You can easily read it in one sitting. Why should you read it? To quote the authors, "Companies are grappling with how to make the most of the Web, which replaces hierarchical information exchange with a dynamic, horizontal flow and enables fluid, team-based collaboration. You need to know how to leverage Knowledge.

Good book

By Sam Mac

I really enjoy many of the Manager's Pocket Guide books. This book I found especially helpful for developing my skills as a leader. I learned new techniques on how to plan and prepare to be better organized. I feel as though I have a better understanding of management.
