Not useful to kids

By Martin M

Not useful to kids. Too little white space and too few illustrations. This is not written at a 4th Grade reading level which is when most kids would need this book.

0 of 0 people found the following review helpful.

This was a \$14 pamphlet and not a "book". ...

By Cathy Schafer

This was a \$14 pamphlet and not a "book". Not worth the month and my 4th grader may have a hard time reading at this level. I'm returning this.
