So good

By late night Oakland reader

If you like the racy step daddy idea, this book is very hot and dirty. I will definitely look for more by this author.

2 of 3 people found the following review helpful.

PERFECT!

By M. Davis

Super naughty, hot, intriguing and loads of fun! The relationship between the "father/daughter" was fun and sweet. Enjoyed the details about the father. One of my new favorite scenes; the headboard bed scene. This book did the trick!
