Scott Peck](#), not in shelves naturally. You may wait in your computer system gadget and also gadget.

## Amazon.com Review

By melding love, science, and religion into a primer on personal growth, M. Scott Peck launched his highly successful writing and lecturing career with this book. Even to this day, Peck remains at the forefront of spiritual psychology as a result of The Road Less Traveled. In the era of I'm OK, You're OK, Peck was courageous enough to suggest that "life is difficult" and personal growth is a "complex, arduous and lifelong task." His willingness to expose his own life stories as well as to share the intimate stories of his anonymous therapy clients creates a compelling and heartfelt narrative.

## From Publishers Weekly

Psychotherapy is all things to all people in this mega-selling pop-psychology watershed, which features a new introduction by the author in this 25th anniversary edition. His agenda in this tome, which was first published in 1978 but didn't become a bestseller until 1983, is to reconcile the psychoanalytic tradition with the conflicting cultural currents roiling the 70s. In the spirit of Me-Decade individualism and libertinism, he celebrates self-actualization as life's highest purpose and flirts with the notions of open marriage and therapeutic sex between patient and analyst. But because he is attuned to the nascent conservative backlash against the therapeutic worldview, Peck also cites Gospel passages, recruits psychotherapy to the cause of traditional religion (he even convinces a patient to sign up for divinity school) and insists that problems must be overcome through suffering, discipline and hard work (with a therapist.) Often departing from the cerebral and rationalistic bent of Freudian discourse for a mystical, Jungian tone more compatible with New Age spirituality, Peck writes of psychotherapy as an exercise in "love" and "spiritual growth," asserts that "our unconscious is God" and affirms his belief in miracles, reincarnation and telepathy. Peck's synthesis of such clashing elements (he even throws in a little thermodynamics) is held together by a warm and lucid discussion of psychiatric principles and moving accounts of his own patients' struggles and breakthroughs. Harmonizing psychoanalysis and spirituality, Christ and Buddha, Calvinist work ethic and interminable

talking cures, this book is a touchstone of our contemporary religio-therapeutic culture.

From Library Journal

This book proved a smash when it debuted in 1978, selling several million copies. This 25th-anniversary edition includes a new introduction in which the publisher claims the author "explains the ideas that shaped this book and continue to influence an expanding audience of readers." That might sound like PR, but this truly was one of the first books dealing with the psychology of spirituality and paved the way for numerous others that followed in its wake.

# **THE ROAD LESS TRAVELED, TIMELESS EDITION: A NEW PSYCHOLOGY OF LOVE, TRADITIONAL VALUES AND SPIRITUAL GROWTH BY M. SCOTT PECK PDF**

Now featuring a new introduction by Dr. M. Scott Peck, the twenty-fifth anniversary edition of the classic bestseller *The Road Less Traveled*, celebrated by *The Washington Post* as “not just a book but a spontaneous act of generosity.”

Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than seven million copies in the United States and Canada, and translations into more than twenty-three languages, it has made publishing history, with more than ten years on the *New York Times* bestseller list.

Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one’s own true self.

Recognizing that, as in the famous opening line of his book, “Life is difficult” and that the journey to spiritual growth is a long one, Dr. Peck never bullies his readers, but rather guides them gently through the hard and often painful process of change toward a higher level of self-understanding.

It feels like I'm reading my own life story

By Martin D.

I enter a completely different world every time I read and reread this book. It feels like I'm reading my own life story. A must read for everyone.

This book saved my life. What more can you ...

By N. T. West

This book saved my life. What more can you say? I thought it was going to be another "pull yourself up by your bootstraps and tuff it out," kind of self-help book that works for people who don't actually need help. But it isn't at all. Give it a chance.
