THE TRAINING ANTHOLOGY OF SANTIDEVA: A TRANSLATION OF THE SIKSA-SAMUCCAYA FROM OXFORD UNIVERSITY PRESS PDF

Today book The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press we offer here is not kind of usual book. You understand, reading now does not mean to deal with the printed book The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press in your hand. You could obtain the soft data of The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press in your gadget. Well, we mean that guide that we proffer is the soft file of the book The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press. The content and all points are same. The difference is just the forms of the book The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press, whereas, this problem will specifically pay.

Review

"For all the many admirers of Santideva, scholars and practitioners, Buddhist and non-Buddhist alike, this book is a treat and an education. It rewards readers with Goodman's eminently readable introduction and deeply informed synopsis of the text, all contextualizing his smooth and skillful translation from the Sanskrit and Tibetan of Santideva's 'other' great work, the Training Anthology. This is a must-read for everyone interested in further background to Santideva's thinking and practical advice, and for thoughtful persons from any tradition who reflect on the place of rational thought in the life and heart of compassionate, philosophically astute, practitioners."-Anne C. Klein, author of Heart Essence of the Vast Expanse

"Goodman has done a valuable service in not only bringing out a new translation of Santideva's Siksa-samuccaya, but also, and more importantly, breathing new life into the meaning of the text through his deliberate translation choices, apparent right away from the title. He succeeds not only in conveying the ideas and thoughts in modern English, but also evoking the emotions and sensibilities that the original audience might have experienced."-Geshe Dadul Namgyal, Senior Resident Teacher, Drepung Loseling Monastery, Atlanta; Interpreter/Translator, Emory-Tibet Science Initiative, Emory University

About the Author

Charles Goodman is a Buddhist scholar, philosopher, translator, and meditation teacher. He is an Associate Professor at Binghamton University.

So, it will reduce you to read this publication *The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press* in specific time or location. It could be not certain to take pleasure in reading this publication [*The Training Anthology Of Santideva: A Translation Of The Siksa-samuccaya From Oxford University Press*](#), since you have great deals of job. But, with this soft documents, you can delight in checking out in the downtime even in the voids of your works in workplace.

THE TRAINING ANTHOLOGY OF SANTIDEVA: A TRANSLATION OF THE SIKSA-SAMUCCAYA FROM OXFORD UNIVERSITY PRESS PDF

The Training Anthology-or Siksa-samuccaya-is a collection of quotations from Buddhist sutras with illuminating and insightful commentary by the eighth-century North Indian master Santideva. Best known for his philosophical poem, the Bodhicaryavatara, Santideva has been a vital source of spiritual guidance and literary inspiration to Tibetan teachers and students throughout the history of Tibetan Buddhism. Charles Goodman offers a translation of this major work of religious literature, in which Santideva has extracted, from the vast ocean of the Buddha's teachings, a large number of passages of exceptional value, either for their practical relevance, philosophical illumination, or aesthetic beauty. The Training Anthology provides a comprehensive overview of the Mahayana path to Awakening and gives scholars an invaluable window into the religious doctrines, ethical commitments, and everyday life of Buddhist monks in India during the first millennium CE.

Most helpful customer reviews

2 of 2 people found the following review helpful.

The other great Santideva work.

By Nicholas C. Weeks

Superior to the old translation by Bendall, Goodman's version is readable, clear and heartening! Not all readers (like me), may like some of his unique translation choices. It is a compilation from the sutras, with comments by Santideva, focused on the altruistic path of the Bodhisattva. Extensive Introduction, endnotes, yet poor index.

An essential text for Mahayana followers.
