Experiencing a true relationship with Jesus Christ

By knightkazz

This book gives a great explanation on the struggles of the Black Race and their relationship with Christ. Although King Nimrod in the book did a lot of the idolatry practices that provoked God's anger, God's purpose for the Black race was still not hindered. God's Purpose will always overcome the mistakes of man because God created man and new that man would make mistakes. The book gives a lot of insight on the pathologies of Black Race and how we must have a better relationship with Christ in order for the Holy Spirit to transform and renew our minds to truly know God's purpose for the Black Race. The book gives the message that we are all equal in Christ Jesus and we must experience a relationship with Jesus Christ in order to fulfill His purpose for us whether we are black, white, green, purple, yellow, red, etc. This book is definitely an eye opener and I encourage everyone to open up your hearts to read and listen to the Divinely

inspired words of Pastor Matthew Ashimolowo.

I recommend every Black person to read this book. It is a book that illustrates what we as a race of people need to do so that we can overcome what we have been through. You can't move forward if you don't know your history. Again this is a must read!!!!!!!

black

By Dottie Miley

Great book about the decendants of where the black man in the bible came from. God created all men equal. There is not black, white, green or yellow in the sight of God. We are all the same to God.
